MEMORANDUM

To: West Windsor Planning Board
West Windsor Division of Land Use

From: David Novak PP, AICP

Subject: Circulation Element of the Master Plan
Draft Version 3 dated 07-20-21

Date: July 19, 2021

BA#: 3442.22

The revised Draft Circulation Element of the Master Plan (Version 3, dated 07-20-21) has been submitted for the review of the Planning Board and the public. Two (2) versions of the document have been prepared: a "clean" version, and a "tracked changes" version that identifies the various edits made to the plan.

Please note that this latter version contains two different types of tracked changes.

1. Those tracked changes which are identified in **red** are changes and recommendations offered by the Board and the public.
2. Those tracked changes which are identified in **blue** are changes and recommendations which were subsequently offered by the Township Engineer Francis Guzik, PE.
