Mayor/Administration:

Update of Novel Coronavirus

Ms. Swanson provided an update on the clinics and advised that starting on February 13<sup>th</sup> all clinics will be moved to Mercer County Community College. She noted that residents that are on the Township's current wait list will be added to these clinics. Ms. Swanson advised that residents should register on the State system. She noted that we are hopeful that as the supply increases that the Township will once again be able to conduct our own clinics.

Members of Council asked various questions of Ms. Swanson which she addressed.

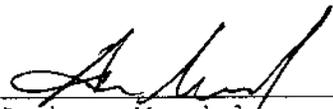

Ms. Swanson noted that if a resident already received their first dose through one of our clinics that they will receive the second dose through the Township as well.

After a brief discussion everyone thanked Ms. Swanson and her staff for the great job they have done throughout this pandemic and noted their hope that the Township can once again have clinics here for our residents.
